

MAR 15 1966

Dear Russ:

Thank you for your letter of March 13th,
enclosing Mr. Makaroff's suggestions.

This same material had already been brought
to our attention, and although we sympathize with
Mr. Makaroff's ideas, we feel that the US Govern-
ment cannot officially get itself involved in such
an undertaking, for obvious reasons.

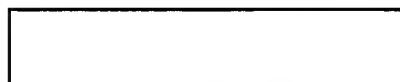

I appreciate your interest in sending me this
material, and I hope that Mr. Makaroff will be able
to interest private individuals or organizations in
assisting him.

Sincerely yours,

J. Russell Fargen, Esq.
